The Distinguished Alumni Wall of Honor, located in Northampton Area High School's main lobby, was established in 2018 by the Northampton Area Konkrete Kids Educational Foundation and the Northampton Area School

District. The Wall was created to serve as an inspiration to students and as a reminder to the entire community of Northampton Area School District's proud education tradition and commitment to serve others. A plaque recognizing personal and professional post-high school graduation achievements and featuring a current photo, as well as a graduation photo, has been installed on the Wall of Honor for each of the graduates selected since 2018.

The 2022 Distinguished Alumni Award inductees will be publicly recognized and honored at the September 25th **Celebration**. Their plaques will be presented at the event and will be permanently installed on the Distinguished Alumni Wall of Honor in October. Family, friends, colleagues, community members, NASD faculty, and students will join the Konkrete Kids Educational Foundation in making the **Celebration** Dinner and Recognition Program a memorable event for the seven graduates, and you are cordially invited to join in the festivities.

The **Celebration** is a major Foundation fundraiser, with all proceeds used to support the Foundation's mission "to promote, enhance, and supplement educational and co-curricular programs" with funding for "extended learning opportunities and experiences" that benefit Northampton Area School District K-12 students. Beyond purchasing tickets to attend the **Celebration**, various opportunities to provide sponsorships and make monetary contributions and raffle donations are available, as described in the enclosed document.

Kindly return your completed **Tickets, Sponsorships, Contributions, RSVP** Form in the enclosed envelope as soon as possible, but no later than September 1, 2022

Please Note: Reservations to stay in Woodstone Lodge are available. Please contact Woodstone Country Club and Lodge directly at (610) 760-2777 for information.
